What can I do if I have chosen the wrong size or style?

We strongly encourage you to have your child try on the uniform prior to ordering online, we do not offer refunds for a change of mind. Size samples are available at the school and size charts are available for each uniform garment when viewing them online.

If you have accidentally ordered the wrong size and the garments are still in ***new and saleable condition***, we will offer you an exchange within 28 days of your order being dispatched to the school or your preferred address. If you are not sure whether the garments are in new and saleable condition, consider whether or not you would be happy to purchase them at full price in their current condition.

All you have to do is post the incorrect item/s back to us with a copy of your receipt and the completed ***Exchange Form*** you received with your order (the address is on the form) – if completed correctly, the exchange form will let us know what to do to help you. Please make sure you provide accurate contact details so if we have any questions, we can call you.

What can I do if the sizes or styles I have received are not what I ordered?

We strive to ensure that all orders are correct before dispatching them but we are only human. Please check all garments upon receipt of your order to confirm that they are the correct sizes and styles before washing, wearing or writing your child's name on the labels.

If you have accidentally received a size or style that you didn't order and the garments are still in ***new and saleable condition***, we will happily exchange them for you within 28 days of your order being dispatched to the school or your preferred address. If you are not sure whether the garments are in new and saleable condition, consider whether or not you would be happy to purchase them at full price in their current condition.

All you have to do is post the incorrect item/s back to us with the completed ***Exchange Form*** you received with your order and your postage receipt (the address is on the form) – if completed correctly, the exchange form will let us know what to do to help you. Please make sure you provide accurate contact details so if we have any questions, we can call you.

What can I do if I have a faulty garment?

If you believe you have received a faulty garment, please complete the ***Faulty Garment Form*** you received with your order. Then post the faulty item to us with the completed form and your postage receipt (the address is on the form). If the garment has been worn, for hygiene reasons, you must wash and dry it before returning it to us.

If there is a major problem with the garment you can choose either a refund or exchange. This is when the item:

- has a problem that would have stopped someone from buying it if they had known about it;
- is unsafe;
- is significantly different from the sample or description; or
- doesn't do what we said it would, or what you asked for and can't be easily fixed.

Alternatively, you can choose to keep the item and we will compensate you for any drop in value. If the problem is not major, we will repair the item within a reasonable time. If it is not repaired within a reasonable time you can choose a refund or replacement. Please keep your proof of purchase — eg your receipt.

What can I do if I have lost my Exchange Form or Faulty Garment Form?
