

## **2019 Mother's Day Stall Fundraiser**

To help celebrate mums and all they do for us, the BGPS P&C team have organised an extra special event just in time for Mother's Day. The Stall will run a little different to previous years, so see below for all the important information.

We have teamed up with some wonderful local businesses to find all of our mum's favourite things. No need to rush around at the shops, browse all the samples at the school and order in plenty of time for mum's special day. The event will run across the first two weeks of Term 2 and will be done by preordering items as follows.

### **Week 1**      **Place orders**

Complete order form and drop with correct change into the P&C pigeon hole in front office

Or

Attend a P&C Stall where we will take credit / debit card payments and assist with orders

- Wed 7:45am to 8:30am – outside library block (near the school mural)
- Wed 3:00pm to 3:45pm – outside library block (near the school mural)
- Thur 3:00pm to 3:45pm – in early childhood block
- Fri 7:45am to 8:30am – outside library block (near the school mural)

Please note: some items have limited availability and will only be sold at the stall dates listed above.

### **Week 2**      **Receive Orders**

P&C members and volunteers will help collect and collate orders throughout week 2. These will be delivered to children in classrooms on Friday 10<sup>th</sup> May in order to take home. Parents are asked to assist children to get fragile items home safely if necessary.

Accompanying this letter is a flyer and order form listing all items available in the stall. If mums wish to drop hints, please read on. If not, please assist children to fill out the top section of their order form and we will help them fill out the rest at our stall dates. We would like to take time to thank the school for their support of this initiative, as well as our volunteers, and most importantly the suppliers who have supported us to make this event successful.

Thank you to the following business for making our fundraiser possible;

Baldvis Gardens PS

Elma Creations

Baking Me Crazy

Bear & Fern

Luna & Sol

Kid's Corner

Decal Designs

Let's Cut It by Kristy

It's A Love Thing

Thank you, and don't forget to treat your mum on Mother's Day!
