School Dental Services provide free preventive and general dental treatment.

All school children are eligible for the School Dental Service from the year they turn five until the end of Year 11 or the attainment of 17 years of age whichever comes first

In order to provide an improved service and reduce waitlists for our patients, we are proud to announce the opening of our new therapy clinic, **Baldivis Gardens Dental Therapy Centre** as of Monday 27<sup>th</sup> March 2017. This clinic will be open initially on Mondays and Wednesdays 8am to 4pm with further plans to be opened every day in the near future.

- Baldivis Gardens Primary School
- Baldivis Primary School
- John Calvin Free Reform School

Those students from the list of schools above will automatically have their records transferred from Settlers Hill Dental Therapy Centre to the new clinic.

If you have moved recently or not been contacted by School Dental Services in a while we would appreciate you updating your details via
