

Cross Country – Friday 26th June 2020

Dear Parents / Caregivers,

On Friday 26th of June, students from Years 1 – 6 who have nominated will be competing in this Year's Cross-Country Carnival held on our school oval. Your child, _____ has / has not nominated to run in this year's Cross-Country event.

Due to Covid19 restrictions, please adhere to the following expectations for the event:

- Maintain a good social distance between yourself and other parents.
- Ensure you check the race times below and know what time your child / children will be running in their race. Once they have finished their race, please leave the oval unless you have other children competing in a race.
- Stay behind the marked areas at all times and do not interact with the children. They will be expected to exit the oval before the next year group begins their races.

Please be aware that the below times are approximate for each event. We have allowed extra time between races so that there is a smooth transition on and off the oval. Races will not start prior to this time.
