P&C News

Things to Look for this week:

Bike Raffle

Have you seen the amazing bike that you could take home this term??? Enter our raffle to win a bike and helmet worth more than \$400 (the donated bike can be exchanged if needed to suit your child's size and style). **Tickets will be \$5 each and available from the front office, and from P&C volunteers and this THURSDAY tickets can be purchased in the classrooms by the children if they bring in money.** All funds raised will go directly towards purchasing new playground equipment for the school. Raffle drawn Friday 8th December 2017.

P&C Meeting Next Week!!

Come and join us for our very last P&C Meeting for 2017. We will be celebrating some great achievements, and discussing what 2018 can bring. **Wednesday 29th November 2017 at 7pm in the Conference Room.**

Nourish Food & Coffee Van will be attending again this Thursday, come down and grab a tea or coffee, or even some yummy breakfast rolls. Don't forget, every purchase helps support our school with funds donated back to P&C.

School Banking is also happening Friday morning, outside of the library. This is such a great tool for our children to learn about saving, and the value of money! See the banking coordinators for more information.

Hope you have a fantastic week and if you have any queries, please don't hesitate to come and see me or send an email to: baldivisgardens.pandc@yahoo.com thank you.
