P&C News

Term 4 is underway, and here at P&C central its never been busier. We have so many exciting projects underway, so here's some things to look out for:

Canteen Training

We are having a canteen training morning this Thursday morning in the Conference Room, 9am – 11:30am. This is a Financial Management and Networking training session, and a cost of \$15.00 per person attending (sorry no children allowed to the training), morning tea will be provided. It is vital in helping us create a financially viable, and volunteer run canteen. Our canteen is getting so close to being able to open, but need volunteers to run it. Please RSVP to Kiya or Kirsty your ability to join us.

Our Community Movie Night

Tickets go on sale tomorrow (Tuesday), tickets are \$10 each, or a family for \$30. Come and enjoy the community atmosphere with the family movie Trolls screening on the big screen. Bring a picnic and picnic rug, get comfy, and enjoy. We will have other attractions and food available on the night as well. More information coming soon!! Check out our posters, and Facebook for more information.

Tea Towels

By now everyone should have received their tea towel letter. I know its short notice, but we will be placing our order next week, so need everyone's order forms and payment by this Friday (27th October). They are a fantastic way to celebrate our Foundation Year, and features each child's self-portrait. Buy them for \$12 each, or 3 or more for \$10 each. More details are available (and online ordering available) through our P&C Facebook page.

Bike Raffle

As if this term can't get any more exciting, we have been donated an awesome bike and helmet valued at more than \$400, from Reece Whitby MLA for us to raffle off during the term. Tickets will be \$5 each, and all funds raised will go directly towards purchasing new playground equipment for the school.

Inter-School Sports Carnival – P&C Sausage Sizzle and Bake Sale

We will be hosting our very first interschool event Friday 3rd November, and with that is the all-important P&C Sausage Sizzle and Bake Sale. We are looking for volunteers to help run the stall on the day, and keen bakers who can donate their goods for sale. For donated goods we will need to adhere to council regulations – strictly no fresh cream products, all items must be individually wrapped (eg cling wrap), and have a complete list of ingredients used for allergy awareness, and the date it was made. Sounds like a lot, but super easy, I will work on a template to provide for ingredient lists if anyone needs it. See Kiya for more information.

School Banking

Don't forget school banking every Friday morning. Did you know doing a regular deposit is not only teaching your child valuable money handling skills, but also helping our school? Plus, with each deposit the children are given tokens which can be used to get some amazing prizes. Come and see our banking Co-ordinators for each Friday morning for more information.

Hope you have a great week and if you have any queries, please don't hesitate to come and see me or send an email to: baldivisgardens.pandc@yahoo.com thank you.
