

1st May 2017

Dear Sir/Madam

Junior Golf Program

The Rockingham Golf Club, which was established in 1952, has been conducting a Junior Golf Development program for juniors aged 4-7 and 8-12 in conjunction with Golf WA, a major supporter of the "My Golf" program.

As a registered golf club, we are uniquely positioned to provide excellent opportunities for juniors in the Rockingham region who would benefit from the "My Golf" program.

The Rockingham Golf Club "My Golf" lessons will be held each Friday, commencing Friday 5th May, with the 4-7 year olds from 3.30- 4.30pm and 8-12 year olds from 4.30-5.30pm. The classes are limited to 10 per class, however should there be any additional applicants, extra lessons will be held on Thursdays.

Once we have assessed the students' abilities the classes may change from being age restricted to Beginners and Advanced classes.

A "tiger course" (7 holes) practice will be held on Mondays and Wednesdays from 4-5.30pm. To play on these days, juniors must be participating in the "My Golf" lessons and be a member of the Rockingham Golf Club (\$50 for a full year) as a junior member.

Our new golf professional, Mr Tich Downing, will be taking the lessons and will also be on hand for coaching on Mondays and Wednesdays.

We hope that you will take advantage of this great program and register your child through "My Golf" which can be accessed through the Rockingham Golf Club website.

Yours sincerely,

Dominic Bell

Junior Golf Co-ordinator
