Helping to keep our young people safer

Parents, carers, teachers and school staff have a crucial role to play in the education of young people to reduce their risk of harm from alcohol and other drugs including methamphetamine.

SDERA has been supporting school communities for over 19 years through successful, evidence-based alcohol and other drugs and road safety education programs.

This **FREE Talking Drugs** information session is for parents and carers of students in all year levels. Come along and find out about:

- Trends in student drug use.
- The role parents/carers play in school drug education.
- Tips on how to start a conversation with children of all ages.
- Where to go for help with a drug-related problem.

Date:

Tuesday 5th September
