

## Welcome to Week 4 Term 1, 2019 Monday 25<sup>th</sup> February 2019

It is a short week this week so I will do a short newsletter. Long weekends in the middle of the term are a great way to charge up the batteries for students and staff ready for six weeks of high learning and fun.

The P&C meeting is on this Friday at 2pm. As we do not have a full committee then by the Terms of Reference the P&C can not operate and its responsibility sits with the Principal until the P&C has elected office bearers and the participation of community members of the school for strong governance.

In the Friday meeting, we will go through the role of P&C, the office bearers and their responsibility, and levels of membership / engagement within P&C. The P&C only meet twice a term for one hour but plays a significant part in finding volunteers such as for children's crossing, fundraising for students, canteen and events such as discos and movie nights. I encourage you all to attend if you can make it.

Regards,

David Paine

### German

The kids learned about carnival in Germany, made their own masks and dressed up in their favourite costume.

Germany is currently in carnival (German: Karneval, Fasching or Fastnacht) fever. In many cities in Germany and other countries throughout the world, people celebrate with colourful costumes, parades, music, masks and dance.

### This week...

#### P&C meeting

#### Community Assembly

We have Miss Leed's Year 2 class assembly this Friday. I look forward to seeing their item as well as recognising those who have shown how they GROW.
