

News from

The Garden

Welcome to Week 8 Term 1, 2019 Monday 25th March 2019

Last week I was grateful that Freo was not playing a top eight team on the weekend. Instead I was treated to a scoring bonanza. What an impressive start to the season! I look forward to seeing how the Eagles go when they play their first game.....

The P&C held their election for office bearers last week and all positions were filled. Congratulations to;

President	Anita Lakic
Vice President	Stacey Soltwisch
Secretary	Michaela Toia
Treasurer	Melanie Hinkley

I look forward to working with them as they continue to build our P&C and school community. If you are still interested in helping out then we are always keen for volunteers by becoming a \$1 financial member. See Shiralee in the front office for more information.

The BASSA Carnival was last week with our Year 5/6 students fielding teams in cricket, teeball and tag rugby. Feedback from all sports was our sportsmanship and all round respect was exemplary and made us feel proud to have such wonderful students. All teams did their best, with the teeball Team One celebrating their wins with roly polly's. To top off the event the boy's cricket team won the shield. Well done to all teams.

Regards,

David Paine

Harmony Day

Last Thursday was Harmony Day and to celebrate our students came together and mapped out where they all came from. It was wonderful to see the diversity we have within our Garden. It was also great to see the children sharing this event with their parents after school.

Worm farm donations

Please bring in your old newspaper for our compost and worm farms. They can be dropped off in Swallow Block's wet area.

This week...

Icy Poles

Year 6s are selling icy poles out of the canteen at Recess every **Wednesday**. Icy poles will be a dollar each with profit going towards the Year 6 Camp.

Community Assembly

We have Miss McKay's Year 4 class assembly this Friday. I look forward to seeing their item as well as recognising those who have shown how they GROW.

A message from the dental staff

How to prepare your child for Dental visits-

- Take time to play 'dentist' with your child at home and pretend you are counting teeth.
- Be positive about the dental visit and **don't** express any *fears* you may have.
- **Avoid words** which could be alarming such as 'drill', 'brave' and 'needle'. The dentist has special words to use instead
- Make the dental appointment an accepted part of regular routine, not a 'special event'.

If you have moved or changed phone number please let us know so we can update your details.

Please note we are open during the school holidays Monday 15th April to Wednesday 17th April in case of an emergency on-

- Thursday 18th April – Settlers Hill 9523 2146
- Wednesday 24th April and Friday 26th April- Tuart Rise 9523 0965
- For any After Hours Emergencies please 1800 098 818 for advice.

Kind regards
Candice and Stacey
