What our parents say about YMCA OSHC

My son Louis has been at Ashdale Primary School since kindergarten and we have utilised the YMCA after school hours care for several years now. Louis gets to stay after hours in an environment he knows, with friendly and helpful staff to look after him. There is always someone to greet us and always a voice on the direct number to speak to. Their afternoon snacks are inventive and nutritious and all the children seem to be engaged in a multitude of activities when I come to pick up my son. This is Louis's last year of primary school so I wish to thank all of YMCA staff at Ashdale after school care for keeping him safe and happy whilst I am at work.
